SOLUZIONI FOODSERVICE

GLASS USED SON.hyx® by LUIGI BORMIOLI:

It is a superior high-tech sound glass without lead or other heavy metals which has high chemical, mechanical and optical performances.

The production processes used for SON.hyx® by LUIGI BORMIOLI avoid creating imperfections on the glass surfaces, decreasing the level of fragility and therefore improving mechanical resistance.

****RESISTANCE 4000 INDUSTRIAL WASHES****

****BREAKAGE RESISTANCE +105% ****
