MINI PASTRY TRAY FOR DISPLAY IN STEEL

vedi prodotto online

# SOLUZIONI FOODSERVICE

## CHARACTERISTICS

Tray in AISI 304 stainless steel  
With straight edges 90° not welded  
Dimensions cm. 60x14x0,8h

## USE

Suitable for displaying food of any kind. Not suitable for cooking pastry or bakery products.  
The stainless steel trays can be used in the freezer or in a leavening compartment without contraindications, as they do not rust.
