SOLUZIONI FOODSERVICE

The Natura tray combines the authentic look of the wood grain with a stable and durable guarantee.

Ideal for use in high-traffic venues and restaurants with a sophisticated, modern décor, the textured patterns cover the tray edge-to-edge and top-to-bottom for a real wood look and feel.

The surface is highly wear resistant for years of service.

The eco-friendly tray, produced with paper obtained from certified forests, is scratch resistant, easy to clean and disinfect and dishwasher safe.

High-end tray, ergonomic.

Characterized by a high level of impermeability: it does not retain impurities, grease and odours.

Excellent stain resistance.

Perfectly planar.
