Satin finish and tapered geometry. A combination that makes Sky Satin cutlery classics and easily suited to styles of different inspiration. In 2021, the Sky Satin cutlery range expands with some useful service pieces that complete the mise en place of certain moments of the day, such as breakfast or the service of some courses.

USE AND MAINTENANCE

The cutlery in the Sky-Satin collection is also suitable for washing in an industrial dishwasher.

Wash the product immediately after use.

Separate knives from other cutlery in the dishwasher.

Wash with suitable detergents avoiding chlorine-based products and bleaches.

Dry thoroughly after washing.

Carefully remove residues of salt, lemon, vinegar, tomato-based sauces and do not use abrasive cloths or metal scourers.
