

GRATTUGIA MICROPLANE BLACK SHEEP ZESTER SEMPLICE
cm.31x4,5x1,5

SOLUZIONI FOODSERVICE

Discover the revolution in the kitchen with the Microplane grater from the BLACK SHEEP series. Totally metallic in black, it combines whimsical design and timeless elegance. The precise workmanship with the surgical stainless steel blades makes the grater perfect for very fine stripes and curls. From cheeses, to truffles, to lemon zest, its use is versatile and practical. The ergonomic soft-touch handle guarantees a secure grip while the non-slip rubber feet give stability during use. It cleans easily in the dishwasher. A must have for cooking lovers. Made in USA.
