SOLUZIONI FOODSERVICE

Give a touch of professionalism to your kitchen with the MICROPLANE GOURMET FINE JULIENNE GRATER. Stay in control thanks to the ergonomic handle, while the silicone foot ensures flexibility of use and stability. Its ultra-sharp, USA-made stainless steel blade cuts without tearing or chopping, preserving and intensifying the flavor and aroma of the ingredients. The range of ingredients it can process is vast: from carrots to courgettes, from potatoes to apples, always guaranteeing fine-thickness grating. Cleaning it will be child's play, just rinse it under running water or put it in the dishwasher. It is the essential accessory that cannot be missing in the kitchen, for expert chefs and food lovers.
