MARCA: MICROPLANE

Discover the versatility of the Microplane Gourmet Grater with XL thick blade, the indispensable aid for cooking lovers. Designed to expertly chop a variety of foods, from vegetables to cheese, its superior quality blade makes the operation a breeze! Made with tough stainless steel and enriched with a comfortable soft-touch handle, it ensures comfortable and safe use. The anti-slip foot accentuates its stability, while the ease of cleaning is a further strong point. Made in the USA and dishwasher safe, it allows you to preserve the authentic flavors of the ingredients you grate. For precision cooking, choose Microplane!
