SOLUZIONI FOODSERVICE

The Glass from the Roma1960 line by Luigi Bormioli is the tableware tribute to the history of mixology.

The refined shape redesigns the type of goblet suitable lines and style perfect for serving alcoholic drinks, spiritits, cocktails and mixed drinks.

Goblets and glasses by Luigi Bormioli are produced from the purest materials and through non-polluting processes they represent the Made in Italy taste, style and manufacturing; Made in superior sonorous glass with Son.hyx patented technology, and reinforced stem with Titanium Reinforced technology; the cup allows the exaltation of the aromas on the walls, the extremely thin rim conveys the aromas into the mouth, even the thin pulled stem contributes to the pleasant tasting experience.

GLASS USED SON.hyx® by LUIGI BORMIOLI:

it is a high-tech superior crystal glass without lead or other heavy metals which has high chemical, mechanical and optical performance.

The production processes used for SON.hyx® by LUIGI BORMIOLI allow not to create imperfections on the glass surfaces, reducing the level of fragility and therefore improving the mechanical resistance.
