SOLUZIONI FOODSERVICE

Ideal for serving entrees and appetizers, this accessory can be combined with other accessories of the same line of different sizes and dimensions.

The Relief Verde bowl is dishwasher safe and is suitable for use in the microwave.

Stoneware is dense ceramic fired at high temperatures to make it resistant to liquids and non-porous.

It is made of clay, but it is much more resistant and durable than other types of ceramic and terracotta: this is the main reason for its success, as well as obviously its aesthetic qualities.
