

INFUSER SMOKE GUN WITH BATTERY

vedi prodotto online

SOLUZIONI FOODSERVICE

Discover the new level of flavoring of your dishes with the Battery Infuser Smoker Gun. This powerful portable tool produces cold smoke suitable for any type of food or liquid, bringing a touch of smoky flavor wherever you want it. Easy to use, it is suitable for infusion or refinement with a wide range of flavors. The limit is only your imagination: choose between Wood-Chips, tea, spices, hay or dried flowers. Buy the 4 Wood-Chips essences on our website: Apple, Cherry, Hickory and Mesquite. Silent and resistant thanks to the ABS and aluminum body, you can easily dismantle it for cleaning. It works with a built-in battery. In the package you will also find tweezers, 3 metal filters and a USB cable for charging.
