Bring the authentic taste of tradition into your recipes with our Raviolamp mold for 24 ravioli. Speed up and simplify the preparation of your homemade ravioli with the effectiveness of this useful tool. Built in sturdy aluminum mounted on an enamelled steel base, it ensures perfect adhesion to any surface thanks to its rubber feet. Thanks to its generous dimensions (33.7x1.9x11.4 cm) you can make 24 delicious ravioli on the fly. You can indulge yourself with sweet or savory fillings, making the most of your Imperia pasta machines. Complete with practical natural wooden rolling pin.
