SOLUZIONI FOODSERVICE

Discover the versatility of the Raviolamp mold for 12 Chef ravioli from Imperia. Designed for maximum practicality, it allows you to quickly make 12 ravioli measuring 52x52 mm, using any type of pastry and the filling you like best. Its high quality materials - molded aluminum and enamelled steel base - guarantee durability and optimal grip on any surface, thanks also to the rubber feet. The large surface of 33.7x1.9x11.4 cm also makes it ideal for desserts and pastries. Comes with a handy natural wooden rolling pin.
