SOLUZIONI FOODSERVICE

The 25 cl bottle of the Victoriana Line by Bormioli Rocco is a masterpiece of simplicity and elegance, ideal for a wide range of uses. Made with high-quality white opal glass, this bottle embodies sophistication and practicality.

With its compact size, the bottle fits perfectly into any environment, whether in the kitchen or dining room. Its versatility makes it an essential accessory for home furnishings, while its functionality transforms it into a reliable container for oil, vinegar and other sauces.

The smooth surface, free of any decoration, gives a touch of sobriety and essentiality to the product, while its white opal glass construction guarantees resistance and durability over time.

This bottle is the ideal choice for those looking for a product that combines simplicity, elegance and practicality in a single solution. Whether you are looking for a distinctive furnishing element or a practical container for your favorite condiments, the 25 cl bottle from the Victoriana Line by Bormioli Rocco will always live up to your expectations.
