SOLUZIONI FOODSERVICE

The Fade Moon Line was born from the inspiration of the lunar surface. The edge is characterized, as is the real lunar landscape, by dark spots which are scientifically called seas.

Thanks to its cold color this plate is perfect for serving any type of dish and making your mise en place one of a kind.

Characteristics

The Fade plates are in porcelain stoneware, therefore they are made of hard and non-porous compact ceramic.

Furthermore, the particular workmanship makes the porcelain extremely resistant to impacts.

Their elegance and refinement will allow you to be ready for any occasion; you will make your table perfect.

Also ideal for daily use.

These dishes were created to be suitable for any type of dish: vegetables, pasta, meat, fish.
