SOLUZIONI FOODSERVICE

The deep plate of the Marte Line is made by Fade in porcelain stoneware; it is a compact and hard paste ceramic, colored and non-porous.

The particular decoration of these plates is obtained by baking natural pigment in the oven.

Suitable for any occasion, the Marte line transforms your table into a magical place to welcome your recipes.

Characteristics

The Fade plates are in porcelain stoneware, therefore they are made of hard and non-porous compact ceramic.

Furthermore, the particular workmanship makes the porcelain extremely resistant to impacts.

Their elegance and refinement will allow you to be ready for any occasion, even the less refined ones: you will make your table perfect.

Also ideal for daily use.

These dishes were created to be suitable for any type of dish: vegetables, pasta, meat, fish. They will help you make all your moments at the table unique!
