SOLUZIONI FOODSERVICE

Discover the practicality of our 30cm silicone whisk: an essential accessory in every kitchen. Made to resist temperatures up to 210°C, you can easily use it with your non-stick pans, without the fear of ruining them. And after use? No problem, you can clean it in the dishwasher or, if necessary, sterilize it. If you love cooking, you won't be able to do without our whisk, designed for both amateur and professional chefs.
