SOLUZIONI FOODSERVICE

Admire the elegance combined with the practicality of the SENO&SENO chef's hat. Made of durable fabric, combining polyester (65%) and cotton (35%), the hat provides comfort during long shifts in the kitchen. It is light, with its 185 g/m², it guarantees breathability and maintains freshness. Designed to fit any size, it gives a flexible fit thanks to its pleated construction. Machine washable up to 60°, it ensures impeccable hygiene, getting rid of even the most stubborn stains. Its classic black design adapts to all culinary environments, giving a touch of style. Indispensable for chefs and amateur cooks, it enhances the uniform, always keeping it clean and tidy. Remember to follow the washing instructions to maintain its quality over time.
