SOLUZIONI FOODSERVICE

Discover the latest innovation for your kitchen: the 28.5 cm silicone spoon. This tool stands out for being made in a single body, a feature that completely eliminates the risk of breakages and facilitates cleaning, preventing the accumulation of dirt. The rigid handle offers a secure grip, while the soft part allows you to collect and clean every residue, so as not to waste even a drop. The high temperature resistance, from -40° to $+230^{\circ}$, makes this spoon perfect for any type of cooking. In its elegant Svanera shade, it will be the chic accessory that cannot be missing in your kitchen! Made of durable silicone.
