SOLUZIONI FOODSERVICE

The Scotch-Brite 3001HEX moderate abrasive sponge combination is suitable for medium-duty applications.

It has one side with raised abrasive points, designed to remove dirt but with a more delicate touch.

The synthetic sponge collects cleaning solutions to facilitate cleaning.

Hexagonal shape designed to fit perfectly in the hand; it does not have to be cropped.

The extra corners help clean hard-to-reach areas.

It can be used for daily cleaning of most kitchen utensils and equipment.
