

ROUND ALUMINUM Scoop cm.16

vedi prodotto online

SOLUZIONI FOODSERVICE

If you love cooking and are looking for a tool that makes it easier to transfer powders, flours or grains from one container to another, our aluminum scoop with a diameter of 16 cm is just what you need. Thanks to its round shape and resistant material, it will allow you to handle your ingredients with ease and precision. Perfect for daily use in your kitchen, it combines practicality and professional quality.
