

WHITE FLAT PLASTIC Scoop cm.39 Lt.1

SOLUZIONI FOODSERVICE

Perfect for your kitchen, the white plastic scoop is the essential accessory for those who love practicality and order in the kitchen. This tool, with a capacity of 1 liter and 39 cm long, will allow you to easily and mess-free transfer flours, powders or grains from one container to another. Made of durable plastic, it is a valuable aid for your daily culinary work.
