

**WHITE FLAT PLASTIC Scoop cm.39 Lt.1**

# SOLUZIONI FOODSERVICE

Perfect for your kitchen, the white plastic scoop is the essential accessory for those who love practicality and order in the kitchen. This tool, with a capacity of 1 liter and 39 cm long, will allow you to easily and mess-free transfer flours, powders or grains from one container to another. Made of durable plastic, it is a valuable aid for your daily culinary work.
