SOLUZIONI FOODSERVICE

CHARACTERISTICS:

The cleaning tablets are highly concentrated and efficient with a highly effective complex of active ingredients for maximum cleaning performance.

The care-tab rinse aid contains cleaning substances that actively protect against limescale even before it can form in the steam generator and cooking chamber and prolong the life of the cooking system. Reliable operational safety even without expensive water softening or descaling treatments.

Savings combo consisting of:

2 Packs of Green Detergent 150+150 pieces

1 Pack of Blue Anti-scale 150
