

**STAINLESS STEEL MANDOLIN WITH ADJUSTABLE CUT 27x8  
cm**

# SOLUZIONI FOODSERVICE

Discover the precision of cutting with the Sanelli Ambrogio stainless steel mandolin. Practical and easy to handle, it offers a 4.5 cm wide cut, adjustable in thickness from 0 to 3 mm, for total control over each slice. Made of stainless steel, it ensures resistance and durability over time. Its overall dimensions, 27 cm long and 8 cm wide, make it perfect for any kitchen. An essential item for every chef.
