

CHESTNUT CUTTER KNIFE cm. 14

SOLUZIONI FOODSERVICE

Discover the magic of autumn in the kitchen with our chestnut cutting knife, the essential tool for all lovers of this seasonal fruit. Designed for accurate and effortless cutting, it features a smooth curved stainless steel blade, making it easy to score the shell. The sturdy wooden handle guarantees a safe grip during use, while its small size allows for easy handling. Despite its apparent simplicity, this knife combines elegance and functionality with a refined design. It cleans easily with soap and water, although it is not suitable for the dishwasher. Made with high quality materials, it stands out for its resistance and reliability. Ideal for home or professional use, it is also a perfect gift idea for those who love cooking or
