SOLUZIONI FOODSERVICE

The professional bottle opener / corkscrew with extendable lever is the essential multifunction tool for every waiter or lover of good wine. With four functions in one tool, this extendable lever offers unmatched convenience and versatility. The two-step lever makes opening bottles a breeze, while the sturdy stainless steel construction ensures durability and reliable performance.

Main features:

- Professional corkscrew with extendable lever.
- Four functions in one tool: bottle opener, corkscrew, capsule cutter and screw cap opener.
- Two-step lever for effortless opening of bottles.
- Made of high quality stainless steel with wooden handle.
- Ergonomic and compact design for easy carrying and use.

Additional Details:

- Perfect for professional use in restaurants, bars, hotels and catering.
- Also ideal for home use during dinners and parties.
- Easy to clean and handle.
- Excellent gift idea for lovers of good wine and catering.

CHARACTERISTICS:

- Coated spiral
- Material: Stainless steel
- Length: cm. 11.6
