

**LEMON SQUEEZER - STAINLESS STEEL FILES 18/10 cm.
22**

SOLUZIONI FOODSERVICE

The Stainless Steel Lever Squeezer is the perfect accessory for professional and home use, this lemon squeezer is designed to easily separate the juice from the pulp and seeds, ensuring a stress-free juicing experience. With a perforated surface that allows you to pour the juice directly where you need it, it is ideal for preparing cocktails, salads, meat and fish dishes, tea and herbal teas

Main features:

- Made of strong and durable stainless steel for long life.
- Lever design allows for easy extraction of juice from lemons, limes and other citrus fruits.
- Perforated surface to pour juice directly without pulp or seeds.
- Suitable for both professional and home use.
- Easy to use: just place the citrus fruit between the two half-spheres and apply pressure on the handle.

Additional Details:

- Practical and hygienic: prevent your hands from getting dirty with citrus juice.
- Acid resistant for long-lasting use.
- Ideal for preparing cocktails, salads, meat and fish dishes, tea and herbal teas.
- Great gift idea for cooking and cocktail lovers.
