

STAINLESS STEEL SENO&SENO TONGS cm. 30

SENO&SENO Brand Stainless Steel Chef Tongs 30cm

SOLUZIONI FOODSERVICE

The Chef Tong is an increasingly popular tool in professional kitchens.

This innovative line made with high quality materials is resistant and easy to clean and has the particularity of coloring according to HACCP regulations.

The silicone inserts perform the dual function of improving the grip and identifying the different categories of food with colours: green for vegetables, yellow for cooked meats, red for raw meat, blue for fish, white for dairy products and bread and finally purple for food intolerances.

Thanks to this system, it is possible to use the tongs safely and efficiently, avoiding cross-contamination between foods.
