

GLASS JAR FOUR SEASONS HERITAGE CL. 100

SOLUZIONI FOODSERVICE

This jar is part of the Quattro Stagioni line, a symbol of vacuum preservation for over 40 years.

Easy to fill, wash and perfect for use in the freezer, the Quattro Stagioni jars are ideal not only for the preparation of jams and sauces but also for preserving baby food and for jar cooking.

This format is particularly suitable for jams, preserves, pickles, fruit in syrup and sauces.

Like the other vases in the collection, it has a wide mouth and a cylindrical shape, designed for maximum practicality in conservation.

Suitable for use in microwave ovens without lid.

Not suitable for use in a traditional oven.

Cap not suitable for microwave use.

Dishwasher safe product.
