

DISPENSER SQUEEZE BOTTLE TRASPARENTE cl. 5

SOLUZIONI FOODSERVICE

This practical 5cl transparent dispenser is your ally for precisely dosing sweet and savory sauces in the kitchen. Packaged in polyethylene and suitable for food, you can use it easily without worries. Its syringe nozzle allows you to dose small quantities, making it the ideal accessory to decorate your dishes like a real chef. As a note of merit, it is easily dishwasher safe and entirely made in Italy. A practical and effective solution for your professional kitchen.
