SOLUZIONI FOODSERVICE

Our multifunctional Stainless Steel kitchen scissors, an essential companion for any home or professional chef.

With a length of 20 cm, this scissors offers unparalleled versatility thanks to its intelligent design and the quality of the materials used.

The micro-serrated stainless steel blade ensures superior cutting precision on a wide range of ingredients, from meat to herbs.

The micro teeth allow you to firmly grip the material to be cut, ensuring a clean and uniform cut with every use.

In addition to its excellence in cutting, this scissors is equipped with an intelligent groove for opening crown caps, a useful groove for opening screw caps and finally, a capsule opening notch which allows you to open safely and fast the capsules of wine bottles or other drinks.

Made with care and attention to detail, this multifunctional stainless steel kitchen scissors is an indispensable tool to simplify kitchen operations and improve the overall culinary experience.
