SOLUZIONI FOODSERVICE

Technical Description:

- Dimensions: 30 x 6 cm
- Color: Blue
- Bristle Material: Polyester PBT (Polybutylene Terephthalate)
- Use: Cleaning floors and walls

This hard bristle brush is designed to ensure impeccable hygiene in environments where cleanliness is crucial, such as in the food industry and other professional fields. The PBT polyester bristles offer effective and long-lasting cleaning thanks to their resistance and ability to remove dirt and debris even from the most difficult surfaces.

Main Features:

- Hard Bristles: The hard bristles are ideal for tackling stubborn dirt and ensuring a deep clean.
- PBT Polyester: Wear-resistant and chemical-resistant material, ensuring longevity and consistent performance.
- Ergonomic Design: Optimal shape and size for comfortable handling during use.
- Blue Color: Allows for easy identification and differentiation from other tools.

Perfect for environments where cleaning must be meticulous and rigorous, this brush is an indispensable ally for maintaining high standards of hygiene.
