Main features:

- **Durable Construction:** Made of high-quality stainless steel, this colander is corrosion-resistant and designed to last, providing a sturdy and reliable solution for your kitchen.
- **Functional Design:** The generous dimensions of 41.5 cm in length and 21 cm in height allow you to drain large quantities of pasta or other foods with ease.
- **Stable Base:** Equipped with a solid base that ensures stability during use, preventing the colander from tipping over or slipping on the worktop.
- **Ergonomic handles:** The two side handles are designed for a secure and comfortable grip, making it easy to carry and use even when the colander is full.
- **Uniform Holes:** Evenly distributed drainage holes allow for quick water drainage, reducing prep time and ensuring greater efficiency in the kitchen.
- **Easy to clean:** The colander is completely dishwasher safe, making cleanup quick and easy.

Use: Ideal for draining pasta, vegetables, legumes and other cooked foods. Suitable for both home and professional use.
