CODICE: 0710040259671

MARCA: SVANERA

SOLUZIONI FOODSERVICE

Material:

- Body: High quality 18/10 stainless steel, corrosion resistant and suitable for food use.
- Handle: Ergonomic handle made of heat-resistant plastic material, designed to ensure a secure and comfortable grip during use.

Dimensions:

- Total height: 42 cm
- Width: 14 cm

Characteristics:

- Linear and sturdy design, ideal for draining and lifting fried foods with precision.
- The "spider" structure of the net allows for effective drainage of oil or water, keeping food crispy and dry.
- Ergonomic handle designed for prolonged use without hand fatigue.
- Suitable for professional use in restaurant or pastry kitchens, but also for those who love cooking at home with quality equipment.

Use: Perfect for draining fried foods, pasta and other foods, ensuring optimal results in terms of quality and practicality.
