MARCA: THE BARS

SOLUZIONI FOODSERVICE

Materials:

- Bottle: Made of high quality clear glass, perfectly dishwasher safe.
- Sprayer: Made of food-grade stainless steel, resistant and durable.

Design:

- Vintage Style: Recalls the classic design of vintage perfume bottles, adding a touch of elegance and sophistication to the counter.
- Dash Bottle: Equipped with a pump diffuser, perfect for precisely dosing and spraying essences and aromas.

Functionality:

- Cocktail Flavoring: Ideal for professional bartenders who want to enrich their cocktails with subtle essences and perfumes, creating a complete sensorial experience.
- Funnel Included: Comes with a handy funnel to make it easy to pour liquids into the bottle without waste.

Use and Maintenance:

Easy Cleanup: The glass is dishwasher safe, while the stainless steel sprayer is easy to clean and maintain.

Intended Use:

Perfect for bars, restaurants and professional bartenders looking for elegant and functional tools for preparing unforgettable cocktails.

An essential element for those who love vintage bartending and want to add a touch of class to their mixological art.

Notes:

Golden Age of Cocktails: With a wide range of classic bitters and ingredients making a comeback in bars, this sprinkler is an essential and decorative accessory to proudly display on your bar.
