

**FULL TWIST MIXING SPOON WITH FILTER cm.40**

# SOLUZIONI FOODSERVICE

The Bar Spoon Strainer Full Twist is an essential cocktail making tool, crafted from high quality stainless steel.

This bar spoon, also known as a stirrer or bar spoon, is designed to ensure uniform mixing of cocktails, even in tall glasses or shakers, thanks to its extra long handle.

Main features:

- Material: Durable and easy to clean stainless steel, ensuring durability and hygiene.
- Length: 40 cm, ideal for reaching the bottom of tall glasses and shakers, ensuring complete and homogeneous mixing.
- Full Twist Design: The twist along the handle not only adds an elegant aesthetic touch but also makes the spoon easier to grip, making it comfortable to handle during use.
- Strainer Function: Equipped with a small spatula that works as a filter, allowing you to pour the cocktail while separating any solid ingredients or ice.

This Bar Spoon is a versatile tool, perfect for both professional bartenders and cocktail enthusiasts who want to prepare quality drinks with precision and style.
