

VINOTEQUE GLASS DECANTER BOTTLE LT. 0.75

SOLUZIONI FOODSERVICE

This drip-saving decanter is an essential accessory for red wine lovers who want to maximize the organoleptic characteristics of their favorite wine.

Designed with a long neck for strong aeration and very high oxygenation, this decanter is ideal for enhancing the bouquet and flavor of wine, while maintaining negligible aroma dispersion.

Technical Features:

- Material: Made of SON.hyx High-Tech Superior Crystal Glass, which ensures high transparency and purity, while offering superior strength.
- Height: 350 mm
- Diameter: 200 mm

This decanter combines elegant design with advanced technical performance, making it perfect for those seeking a high-end tasting experience.
