

BOTTLE CL. 100 OFFICINA 1825

SOLUZIONI FOODSERVICE

The 120 cl bottle from the Officina 1825 collection is characterized by a design that combines industrial style with a vintage touch, making it a distinctive accessory with great personality for your table. Perfect for serving water and cold drinks in informal settings, this bottle adds a touch of originality to any environment.

Main Features:

- Capacity: 120 cl
- Material: Worked glass with distinctive finish
- Closure: Hermetic cap with ring and gasket in material not suitable for contact with 100% fatty substances
- Use: Ideal for water and still drinks
- Cleaning: Bottle suitable for washing in the dishwasher. Ring and gasket must be washed by hand, avoiding the use of aggressive detergents. Dry the ring thoroughly after washing.

Warnings: Do not fill to the brim, leave about 5cm of space from the edge for proper use.

This bottle is also available in a smaller version, offering the same quality and style in a different size. Not suitable for carbonated beverages.
