

BERTO'S 2-BURNER GAS COOKER MACROS 700 LINE ON OPEN BASE DIM. cm.40x70x90H

Bertos Macros 700 Line 2 Burner Gas Cooker on Open Base - mod. G7F2M

SOLUZIONI FOODSERVICE

Dimensions:

- Width 40 cm
- Depth 70 cm
- Height 90 cm

Materials:

- Worktop and front panels in AISI 304 stainless steel for optimal resistance to corrosion and long life.
- Burners: Made entirely of nickel-plated cast iron, guaranteed for life. Available in single and double crown versions, they offer high power for professional cooking.
- Operated by a valve tap with integrated safety thermocouple to prevent gas leaks.
- Equipped with pilot light for safe and immediate ignition.

Grids:

Made of cast iron, they guarantee uniform heat distribution and resistance even at high temperatures.

Basins: Removable, they allow for easy cleaning and quick maintenance, ensuring maximum hygiene.

Structure:

- The open base allows for easy access and optimal space management.
- Adjustable feet to ensure stability and adaptability to different work surfaces.

Main features:

- Robust and functional design, ideal for professional kitchens.
- Easy to clean and maintain, with removable components.
- High efficiency and safety thanks to the cast iron burners and the thermocouple safety system.
