

**4-ZONE INDUCTION COOKER BERTO'S MAXIMA 900 LINE
ON OPEN BASE DIM. cm.80x90x90H**

Berto's Linea Maxima 900 4-zone induction cooker on open base - mod. E9P4M/IND

SOLUZIONI FOODSERVICE

Dimensions:

- Width 80 cm
- Depth 90 cm
- Height 90 cm

Technical description:

- Worktop and front panels made of AISI 304 stainless steel, a material known for its high resistance to corrosion and durability. Interior entirely in stainless steel, ensuring hygiene and ease of cleaning.
- Hob: 6 mm thick glass ceramic surface, ideal for uniform heat distribution and resistant to thermal shock.
- Induction Operation: High energy efficiency technology, which activates heating only when the pan is in contact with the surface. The cooking zone automatically adapts to the diameter of the pan, ensuring precision and reducing energy waste.
- Safety and Control: Automatic detection of the presence of the pot with immediate shutdown when removed.
- Digital Display: Visible power indicator, with adjustable levels from 1 to 9.
- Controls: Power regulation via a robust, high-precision control, easy to use even in professional environments.

This kitchen is ideal for professional environments, such as restaurants and industrial kitchens, thanks to its efficiency, robustness and precision.
