SOLUZIONI FOODSERVICE

Dimensions: cm. 57,5x17 H30

This charcoal-colored tall cake stand is an elegant and functional accessory, designed to enhance the presentation of desserts, appetizers and other delicacies in buffets, hotels and restaurants. Its powder-coated stainless steel construction ensures a refined appearance and durability over time.

Material and Design:

- Powder Coated Stainless Steel Frame: Powder coating provides an elegant charcoal finish, making this accessory resistant to impacts and abrasions, as well as making cleaning and maintenance easy.
- Modern Design: The clean lines and slender shape of the stand allow you to enhance each dish, creating a captivating and sophisticated visual effect.
- Functionality: Perfect for desserts, cakes, finger food and appetizers, this stand is versatile and suitable for any type of event, from breakfast to lunch, to banquets.

Versatility of Use:

- Usable in a variety of contexts, from breakfast rooms to catered events, the stand is an essential element to optimize the presentation of food, making each dish more inviting.
- Also suitable for home use, ideal for parties or elegant dinners, to impress guests with a refined presentation.
- Easy to Clean: The stainless steel surface is easy to clean and stain resistant, ensuring quick and easy maintenance.

This tall charcoal-colored cake stand is the perfect accessory for those who want to elevate the aesthetics of their buffet, combining functionality and elegance in every presentation.
