CODICE: 0700017742002

SOLUZIONI FOODSERVICE

The multipurpose embossed paper roll is a practical and versatile solution for multiple needs, both domestic and professional. Made of pure high-quality cellulose, it guarantees an optimal combination of resistance and absorbency thanks to its 3-ply composition. This makes it ideal for intensive use and for direct contact with food, respecting all the necessary safety standards.

With 208 sheets, the roll offers remarkable durability and, thanks to its design, allows you to easily remove the paper from the center of the roll, optimizing convenience. Each roll is individually packaged to keep the product hygienic and ready for use.

Furthermore, the FSC certification demonstrates the commitment to environmental sustainability, guaranteeing that the material comes from responsibly managed forests.

This product represents a reliable, safe and environmentally friendly choice.
