The Hurom H400 is the latest generation juice extractor, designed for those who want to combine practicality and quality. Thanks to its versatility, it is ideal for squeezing a wide range of fruits and vegetables, offering the possibility of making nutritious and delicious juices with maximum ease.

Main Features:

- All in One Technology: This innovative extractor is equipped with a multi-screw squeezing system that allows you to prepare fresh juices, sorbets and much more, maintaining intact flavor, vitamins and minerals.
- Compact and Elegant Design: Its modern design fits perfectly into any kitchen, combining aesthetics and functionality. In addition, the detachable power cord allows for tidy storage without tangles.
- Filter with Simplified Cleaning System: The integrated filter is designed to be easily removed and washed in seconds under running water, making maintenance quick and effortless.
- Easy Assembly: The H400 has been optimized to reduce the components required for assembly, ensuring simple and intuitive use.

Superior Performance:

- Large Ingredient Inlet: The ingredient container is triple the diameter of previous models, allowing you to insert whole fruits and vegetables without having to cut them.
- More Juice in Less Time: The large capacity allows you to juice large quantities of fruits and vegetables in one go, optimizing productivity.

Quality and Safety:

- High Quality Materials: All components of the Hurom H400 are BPA-free and made of safe and durable materials. The Ultem auger, a biocompatible and highly resistant thermoplastic, ensures a long life even under high pressure.
- Powerful 200W Motor: This juicer is equipped with a motor capable of effectively squeezing even the hardest and most fibrous ingredients, ensuring excellent performance.
- 10 Year Warranty: Hurom is synonymous with reliability and longevity, with an exceptional 10 year warranty on the motor, a testament to the superior quality of the product.

Innovation and Durability:

With over 40 years of experience in the industry, Hurom continues to revolutionize the world of juicing, offering solutions that not only improve health and well-being, but also represent a long-term investment.
