

**FLEXIBLE IRON HEAT LAMP BLACK COLOR**

# SOLUZIONI FOODSERVICE

The HENDI Flexible Heat Lamp is the ideal solution for keeping food warm between preparation and service, making it perfect for buffets, restaurants and professional catering. Thanks to the flexible arm, the lampshade can be easily adjusted in height and position, ensuring uniform and optimal heating.

Main features:

- Emits constant heat to keep food at the ideal temperature.
- Adjustable flexible arm for optimal positioning.
- Shockproof infrared bulb included, safe and resistant to accidental impacts.
- Compatible with E27 bulbs, for easy replacement.
- Made of iron with anti-rust coating, long lasting.
- Elegant and functional design, perfect for professional kitchens and buffets.

With the HENDI Heat Lamp, your dishes will stay warm and ready to be served in the best possible way. Reliable, durable and versatile, it is an essential accessory for every catering professional.
