# SOLUZIONI FOODSERVICE

Protect and organize your knives in style with the ZWILLING knife block. Made from FSC®-certified bamboo, this holder is the ideal solution for keeping your blades sharp for longer, protecting them from bumps and scratches.

- Versatile capacity – Space for up to 7 knives with blades up to 20 cm long.
- Maximum safety – Store your knives in a stable and accessible way.
- Removable bristle insert – BPA-free, flexible and easily washable for greater hygiene.
- Sustainable material – Bamboo is a natural, durable and aesthetically pleasing material.
- Elegant and practical design – A perfect complement to any modern kitchen.

Thanks to its flexibility, you can choose which knives to place to always have them at hand. An essential accessory for those who love cooking with quality utensils!
