Rio® Blender – Power, Efficiency and Perfect Results – Hamilton Beach

vedi prodotto online

# SOLUZIONI FOODSERVICE

The Hamilton Beach Rio® Blender is designed to deliver professional performance and ultra-smooth results in every preparation. Thanks to the patented Wave~Action® system, the contents are continuously pushed towards the stainless steel blades, ensuring homogeneous mixing without the need for manual intervention.

## Maximum Efficiency and Versatility

- 1.6 HP peak power for quickly crushing ice and fresh or frozen ingredients.
- 2 speeds + pulse function for total control over the consistency of your drinks.
- Durable, ultra-sharp stainless steel blades for long-lasting performance.

## Robust and Safe Design

- 1.4 L (48 oz) co-polyester container, impact-resistant and BPA-free.
- Metal transmission joint for longer life.
- Sealed paddle switches, water resistant and easy to use.
- Safety sensors that prevent starting if the lid is not properly closed.

## Perfect for the Ho.Re.Ca sector.

-Ideal for smoothies, cocktails and drinks with crushed ice, the Rio® blender is the perfect choice for bars, restaurants and venues looking for efficiency and reliability.

## Technical Features:

- Power: 625 W – Speed: 17,000 rpm
- Dimensions (LxWxH): 190 x 216 x 410 mm
- Weight: 4.5 kg
- Power supply: 230V / 50 Hz – CE certifications

Guaranteed reliability: built with materials compliant with European standards for food safety.
