

DUKE SUN TABLE SPOON

Duke Sun Line Table Spoon

SOLUZIONI FOODSERVICE

Bring discreet luxury to the table with the Duke collection, a refined and exclusive line of cutlery. Crafted from 18/10 stainless steel with a luxurious 3 mm thickness, these cutlery pieces offer a perfect balance between solidity and elegance. Their matte gold finish adds a touch of sophisticated modernity, making them ideal for those seeking style and quality without compromise.

Main features:

- Material: 18/10 stainless steel
- Thickness: 3 mm
- Dimensions: 21 cm
- Finish: Matte Gold
- Made in Italy – synonymous with craftsmanship and exclusive design

Use and maintenance:

- Dishwasher safe, even industrial
- Wash immediately after use and dry thoroughly
- Avoid chlorine-based detergents or bleaches
- Separate knives from other cutlery in the dishwasher
- Do not use abrasive cloths or metal scouring pads

With the cutlery of the Duke collection, every meal becomes an experience of style and quality. Add them to your table and let yourself be conquered by their timeless charm.
