

WINTERHALTER 8-ROW PLATE BASKET IN RUBBERIZED WIRE cm.50x50x9

8-space dishwasher basket - in rubberized wire

Winterhalter Wire Baskets – Maximum Efficiency in Washing and Drying

Designed to deliver impeccable washing results, Winterhalter wire baskets guarantee high permeability, allowing the water jet to reach the dishes without obstacles. The plastic coating protects plates, glasses and utensils from damage, while ensuring a long life of the basket.

- Optimal washing and drying thanks to improved air circulation
- Smart and functional design, perfect for different types of dishes
- Compatible with Winterhalter professional dishwashers
- Easy to use and stackable (empty only)

Dimensions: 50x50x9 cm – Capacity: 8 files

Trust Winterhalter quality for a professional and efficient washing system!
