

SVANERA SILICONE POT SPOONS 28.5 CM

Svanera Silicone Spatula - 28.5 cm

vedi prodotto online

SOLUZIONI FOODSERVICE

The Svanera professional silicone spatula is an essential accessory for every kitchen. With a length of 28.5 cm and a single-body design, it guarantees maximum hygiene, resistance and practicality.

Thanks to the rigid handle with soft bottom, it offers a comfortable grip and great maneuverability, making every preparation easier, faster and more precise.

- Ideal for cooking, pastry making
- Resistant to high and low temperatures: from -40°C to +230°C
- Safe for non-stick pans – will not scratch, discolor or melt
- Can be used in freezer and microwave
- Dishwasher safe

Perfect for those looking for professional quality even at home!
