

**SVANERA SILICONE SPOON CM. 36x5,4**

Svanera Silicone Spoon - 36 x 5.4 cm

# SOLUZIONI FOODSERVICE

The Svanera "Jo" professional silicone spoon is designed to ensure high performance and long life in the kitchen. With a length of 36 cm and a width of 5.4 cm, it is perfect for mixing, serving and cooking with maximum efficiency.

Made of premium silicone and constructed in one piece, it is more hygienic, durable and easy to clean. The rigid handle with soft end ensures excellent grip and total control during use.

- Perfect for cooking, baking and barbecue
- Resistant from -40°C to +230°C
- Ideal for non-stick pans – does not damage surfaces
- Freezer and microwave safe
- Dishwasher safe

A professional ally for every cooking enthusiast!
